There are some who can still remember
all the things that we used to do.
But the days of our youth were numbered,
and the ones who survive it are few.
Oh, I can still see their smiling faces
when the times were so good.
All in the old familiar places.
I'd got back, if I could,
to the people of the southwind,
to the people of the southernwind,
to the people of the southwind,
to the people of the southernwind.

Well, it's a hard thing to face the music,
but it's something ev'rybody has got to do.
So I hope that I can always remember
all the crazy times we had to go through.
Now it's a dream that is slowly fading.
Oh, I don't want to go.
All of the mem'ries are evading.
And I want you to know.

Now, we've traveled all across the oceans,
and we've seen what there is to see.
But I guess it's not the proper solution,
'cause it's all about the same to me.
Now I look back and it makes me wonder
why we just couldn't see.
All of the battles we fought and won there,
Oh, I wish that I could be with the
people of the southwind.

KOLMAN AND COPP SHARE ADMINISTRATIVE DUTIES

Every person has two educations — that which is given to him, and that which he gives to himself. It has been our goal this year to stress the latter. — Jim Coop

Each succeeding year in a personal span of twenty-two years of teaching passes more rapidly. The strain for excellence and innovativeness in education leaves all schools less than perfect. A school's success can be measured by many yardsticks, thus individual emphases and attitudes determine the success. It is always a pleasure to share in students' success, which have been many during the 1979-80 school year.

The 80's will be a new challenge for America and students at Beloit Junior-Senior High School. The call for a return to the basics (math, reading, English) is strong. Mandates have been issued to provide more services for less real dollars. The "American" way of life is being challenged. The dream that "we" leave our children a better world may be lost.

Students, arm yourself with the best education possible. Secondly, be ready to WORK, this is not a dirty word. Finally, WORK to re-establish LOVE, RESPECT, and DISCIPLINE within the HOME, FAMILY, and CHURCH. Success and happiness is well within you. "No matter what the future brings." — Verlin Kolman

Trojan FB Highlights

The 1979-80 Trojan football team, led by Coach Steve Baker in his second year at BHS, started the year out ranked 9th in the state in class 4A.

The Trojans, with 12 returning lettermen, started practicing August 16, in preparation for a tough season. The team worked extensively on agility drills.

The first game of the season pitted arch-rival Concordia against Beloit. The mighty Trojans fought back in the second half to tie the Panthers and sent the game into overtime. Senior Scott Fuhage kicked a 37 yard field goal to win the game 17-14.

The team then traveled to Belleville to play the Buffaloes. The Trojans faltered in the first half, but stuck it to the Buffs in the second half. Final score was 20-0.

The Trojans traveled to Elsworth next to play the Bearcats. The Trojans offense showed its strength by scoring in 53 seconds after the kick-off. The Trojans went on to down the Bearcats 57-14.

The team's second home game pitted Beloit against a much improved Southeast of Saline team. This being homecoming and split week, Coach Baker wanted his team to lead their minds on other events. The powerhouse Trojans team exploded to a 34-14 halftime lead. In the second half, the team added another 11 points to finish off the S.E. of Saline Trojans 45-28.

The team's next opponents were the Solomon Gorlas of Solomon. The team sputtered but when the second half came around the Trojans came to life and edged the Gorlas 27-6.

The team now 5-0 welcomed their next opponent, arch-rival the Sacred Heart Knights. Sacred Heart was ranked #1 in class 3A and favored to win by 6 points, but that didn't stop the Trojans. It was a hard fought game but the turning point came in the fourth quarter when the Trojans capitalized on 2 interception passes and a fumble recovery. The team came away victorious 14-6.

Beloit now looking forward to winning the league title, had to play a tough Minneapolis Lake team. The Trojans, coming off a great win had shot of mental mistakes and errors. The team came out the second half and upped their record to 7-0 with a 28-14 win over the Stars.

The team ranked 4th in class 4A now set out to Lindborg to play a rebuilding Viking team. The Trojans stumbled around missing several opportunities to score. The defense acquired its second shut out. The final score Trojans 19-Vikings 0.

The team now 8-0 was looking forward to winning the league championship, but before this could be done the Trojans had to play an improved Lincoln Leopard team. The team, despite the cold weather, heated up by scoring repeatedly. The team came away with a 40-14 victory and the league championship.

The team now with a perfect 9-0 season record and ranked 4th in 4A drew Russell for District Playoffs. The team started off with a drive but fumbled and Russell's defense picked it up and ran it in for quick score. Russell capitalized on a couple of other Trojans errors to go that half 19-0. Beloit came out and played their hearts out.

In the fourth quarter, the breaks started to come around. But it was too late. Beloit ended its season with their first loss 25-7.

The Juniors had a skill to honor the Seniors somewhat like the Grammy Awards, such as Heavy Duty Partier, Motorcycle and Chain Gang and Goat Roper which were some of the awards given.

"Always and Forever," was the theme song by Joy Ridgeway, accompanied by Jeff Hansen on the piano. Julie Johnson played the guitar.

The supper was prepared by the Junior Mothers. The meal consisted of chicken fried steak, baked potatoes, jelly salad, green beans and cherry cheesecake for dessert. Glasses were presented as favors to those who attended.

The dance was held from 9:00 till 12:00 at the Eks Club featuring the band "Skate."

The seventy-one member class of 1980 were the first to graduate after attending four years at the new BJSHS building.

Demonstrating strong leadership skills, class members led throughout the year in the areas of academics, organizations, drama, music and sports.

The leadership shown by the twelve football Seniors led the team to a NCAA League Championship.

Seniors sold magazines, making \$550, as their main money making project. They also helped with the fall play. They charged \$10 for class dues to help finance Christmas Prom. The majority of their money went for the class color pictures featured in the yearbook.

Christmas Prom was presented to the Juniors and their guests December 4, 1979 in the ballroom at the local Elks Club. The theme for the dance was "Precious and Few." The decorations for the dance included moons, stars, maroon and silver streamers and a disco ball hanging in the center of the room. Entertainment was provided by the musical group, "Luk."

The class were special guests at the annual Junior-Senior Prom on April 26. The banquet was in the Commons Area and the dance at the Elks. The theme "Always and Forever" was carried out in a green and gold motif.

Baccalaureate services were held at the Methodist Church on May 18. The Seniors started a new trend by graduating in gowns of the school colors of orange and black on Monday, May 19.

TROJAN STAFFERS CONCENTRATE EFFORTS ON COLOR DEADLINES AND THEME IDEAS

BIONIC YEAR FOR

Student Council officers Karl Hewitt, president; Doug Peterson, vice-president; Brenda Gwin, secretary-treasurer; Nancy Kresh, school board representative; and sponsor Mr. Bob Hall attended a summer camp on the Emporia State College Campus to get new ideas for the upcoming school year. This is the fourth year that Stu-Co has attended this camp.

In August, before the 1979-80 school year began, the new council members got together for a hamburger fry and to discuss future plans with Mr. Hall.

A new project for the year was purchasing Bionic T-shirts for each member. They were a baseball type shirt with Bionic in red letters on the front with the Council members name on the back. They wore these shirts on each meeting day with the theme being "Bionic-Believe it or not I care."

Student Council was in charge of the crowning ceremonies for the three homecomings and sponsored the Fall Homecoming Dance. Music was provided by Ed Harlow, a DJ from Salina, with approximately 440 students attending.

A Stu-Co Conference was held at Concordia in the fall. Two representatives from each class attended. The students got a chance to talk to other Student Councils and see what they were doing. On March 6 a one-day exchange was held with Salina South High School and the following week, March 10, Salina South came to our school for the day to visit. Eight students from our council attended and got a chance to visit a bigger organization.

The Council had a new project this year known as the Youth Advisory Committee. The committee works with Mrs. Patty Rufener and the hot lunch program. Known as YAC, they took ideas from the Student Body about the lunches by taking a survey of their likes and dislikes. A tasting party was held for the Council and School Board Members to try new dishes. The student council members also volunteered to read daily announcements for each week.

Stu-Co helped prepare for the Career and Activities day with N.H.S. Teachers and outside towns people came to the school to give the students ideas about their hobby or career. The Council also sponsored an all-school movie on March 28 with the film being "The Shadiest Gun in the West." Approximately 50 people attended.

They also sponsored Cream-a-Senior to raise money. During the week four jars were set up in the Commons Area with 10 Senior boys and two Senior girls names on the jar. At the end of the week the Senior boy and girl with the most money in their jar received a pie in the face at that afternoon's Pep Rally. Profits from the pop machine also went to the Stu-Co Treasury.

Spring Elections were held on April 26.

The year began for FFA members at summer camp in Rock Springs. Attending from Beloit were Brad Briggs, Eddie Dewey, John Long, Brian Reid, Fred Severance, and sponsor Ross Crane. They learned many ideas for projects and programs for the upcoming year.

A team of Entomology and Horticulture students demonstrated their abilities by ranking high at a Belleville contest.

Fred Severance placed first in individual scoring as Brad Briggs, Bryce Brobel, and Steve Zadna tied for tenth.

B team members, Bryce Brobel, Eddie Dewey, Leon Engelbert, Rande Slate and Steve Zadna placed first as a group. A team members Severance, Briggs, and Curt German took second.

Other group meetings included sophomore members attending a land judging contest in Washington, Leadership School at Cloud County for officers

and a Greenhand Conference in Clay Center.

Mark Hewitt placed in the top ten for the Creed division at the Clay Center Conference. Members learned basic knowledge and opportunities involved in FFA.

Beloit hosted a Greenhand Degree ceremony on November 27. Ten freshmen and one sophomore were initiated. They were quizzed on the FFA creed and other basic information about the organization and their own farm programs. Refreshments were served following the ceremony.

District and State officers visited Beloit on December 12. They ate lunch and met with local members to discuss possible ideas and projects to get involved in.

Beloit had its own district officers this year. Brad Briggs served a reporter during 79-80 and Fred Severance was elected as secretary for the upcoming year.

Fred Severance was elected sixth district secretary for 1980-81 and Brad Briggs served as district reporter for the past year.

The FFA officers were from L to R: Loren Remus, Sentinel; Fred Severance, Reporter; Brad Briggs, Secretary; Ryan Powell, Treasurer; Brian Reid, Vice-President; and Chip Nothem, President.

Contests And Conferences

A Greenhand degree ceremony was held at Beloit in November.

Mr. Gopp meets with FFA officers to discuss future projects and meetings.

Chip presides over election of officers.

FFA meetings were held monthly.

The goal of every FFA member is to be eligible for and receive a State Farmer degree. It takes at least two years to even meet the preliminary requirements.

Brad Briggs, Junior of Beloit Senior High, has been chosen as a 1979-80 FFA State Farmer. This is a life time degree awarded to only 140 FFA members in the state.

Brad, who served last year as North Central Kansas District FFA Reporter, was recognized for this honor at the District Banquet held April 12 in Washington, Kansas. In May, he will be presented with the State Farmer medal at the annual convention in Manhattan.

To be eligible for the award, an FFA member must turn in two years of record books from his farming program at the District meeting in February. They are graded on a point system and judged by a committee of advisors.

Each District has a quota of State Farmer degrees to be given. Brad was chosen as an alternate in this district. His record books were then sent to the State Office and in the event that another district didn't meet their quota, he would be chosen. That's what happened.

"I didn't think that I had any chance at all, because mostly Seniors are given this award," Brad said.

Through a communication breakdown, Brad wasn't aware he won the award until the night of the District Banquet, April 12. The district officers were in charge of setting up the event and he was looking over the program that afternoon. He discovered his name and thought it was a typing error.

"I feel it was an honor to be chosen as a Junior. Now my goal is to achieve Star Farmer next year," Brad said.

Brad's FFA farming program is helping to manage the records for the Briggs' 4600 acre farm near Minneapolis.

He keeps track of fertilizer, seed and fuel costs along with repairs per acre. Crops on their farm include corn, wheat and soybeans.

After graduation, Brad plans to attend K-State and major in agricultural engineering.

Also, a new movie camera was purchased to replace the old model.

Days Gone By

The days go by like a flash
but years seem to last and last,
As we wait for that special day
Time passes so slowly

When the day finally arrives
We close our eyes
and the time floats on by.

As we think back on those good ole days
and how the little children loved to play,
These precious memories will stay on my mind
until the end of time.
-Kelly Meier-
